## **Relieving Principal's Report**

## Term 4 is here already!

Welcome to Term 4. I hope you were able to spend some quality time with the children during the holiday break.

It's an exciting part of the year as we begin to transition our preschoolers to "big school" for next year and also do our final preparations for our Year 6 students moving onto high school. Our Year 2 children are getting ready for primary and our youngest students are getting ready to complete Kindergarten.

There are so many wonderful events happening this term for our students. The Year 6 Farewell, Stage 3 Camp, Rewards Day, Presentation Day, K-2 Christmas Luncheon and The Talent Quest, just to name a few.

We also ask that all families support the Gymnastics program

that has been organised for the students. Thank you to those families that have already paid or have approached the school for assistance. Could all our families please pay the \$5 per session so the students do not miss out on this valuable experience.

Thank you to all the families in our school who are supporting the PBL (Positive Behaviour for Learning) Focus of "Wearing hats so we are safe outside". We have had a very good response with only 20 students in the entire school not having a hat yesterday. Please ensure that wearing a hat becomes a very important part of the student's morning routine when getting ready for school.

As you may know, our school is in the process of being upgraded in certain areas. We currently have murals and gardens being completed and also the roof and electrical wiring of several buildings. In the near future we will have additional outdoor furniture, dry river beds to explore and several raised sandpits installed for students to use and enjoy.

Our students received wonderful praise from all the workers that have been on site for the past 2 weeks, about their safe and respectful behaviour towards all the builders and the equipment. They should all be very proud of the way they have adapted to several changes in our playground and daily procedures.

Unfortunately, a very small group of our students have been involved in several incidents on the way to or from school that are not acceptable. Can you please discuss the importance of once the students have arrived at school, they are to stay at school. We have had students leave the school grounds after their arrival. Also, all students are to cross the road safely and not bother any members of the public on their way home. Students must be respectful of all community members when travelling to and from school.

We would like to farewell Mrs Gewagis, Mrs G, who is going to be on maternity leave as of this Friday. We wish her well on the safe arrival of her little baby and hope that she comes and visits when she can. Thank you so very much for all your hard work and dedication. It is greatly appreciated. As you may know, Sue in our canteen is Mrs G's mum, so it's also exciting for her as she becomes a Grandmother for the first time.

It has been an absolute pleasure to be the Principal for this past fortnight. I hope Miss Page has had a very well deserved break and look forward to seeing her back next week.

Take care Ms Murray

Student of the Week

Week 2 - Emilia C from Madagascar Class of the Week

Week 2- Arendelle

I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

You may remember that our students also participated in a *Tell Them From Me* student survey in Term 1 this year. Asking students to complete the survey twice in one year allows us to identify trends in student responses as well as track engagement and motivation across the school year.

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used *Tell Them From Me* to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school.

More information about the survey is available at: http://surveys.cese.nsw.gov.au

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 26 August and 25 October. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey is being sent home with students. If you <u>do</u> <u>not</u> want your child or children to participate, please return the form to school by 13<sup>th</sup> September 2019. Copies of the form and FAQs are available from: <u>http://surveys.cese.nsw.gov.au/information-for-parents</u>. The consent form and FAQs are available in 23 languages.

We will also be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 26 August and 25 October. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

More information about the survey is available at: <u>http://surveys.cese.nsw.gov.au</u>.

The survey is available in 23 languages.

- twenty-four partially selective high schools
- four agricultural high schools, three of which have boarding places where students live at the school for the school term.
