Acting Principal's Report

What a wonderful day

Wednesday was our Presentation Day, with many of our students receiving recognition for their academic, sporting or community achievements. The respect shown by students in the audience was outstanding and a true demonstration of the Warby spirit.

It was lovely to have Mr McGuire, the Principal of Airds HS and Mrs Byers, the daughter of Ernest Warby, attend and present our perpetual and scholarship awards and I would like to thank them for their support of our school.

The assemblies were led by Henry and Maryam, with Chernaya, Lockie, Jesse and Georgia supporting. They were wonderful leaders and we all should be very proud of their efforts.

Days like this cannot go ahead unless there are dedicated staff completing the organisation. Mrs Murray, Mrs Makai and Mr Phillips did an amazing job, with many long hours spent making sure the day ran smoothly. Thank you so much for your hard work and time spent for our students.

Our school leadership team for 2022 was also announced, with Maykeira and Lily elected as Aboriginal Leaders, Jacqui and Leo elected as Vice-Captains and Georgia and Maurice as Captains. I am sure that this team will be outstanding ambassadors for our school.

Staffing News

There will be a number of changes to staffing for our school as we move into 2022. The principal position has been finalised, with Mr Troy King successful in being appointed to our school. Mr King comes to us from Harrington Park PS and I know everyone is excited to start working with him next year. We warmly welcome him to the principal position and look forward to his leadership of our school.

Both Mrs Thompson and Mrs Davies will be leaving us as they have been successful in obtaining Assistant Principal positions through the merit selection process. The community of John Warby have been extremely lucky to have these dedicated teachers at our school and we will miss them greatly. Mrs Thompson and Mrs Davies have been at our school since 2015 and their leadership, teaching expertise and support of our students, staff and community has been outstanding. I know that we are sad that they are leaving us but also proud that they will take wonderful memories of John Warby PS with them to their new schools. We wish them all the best as they start the next step in their teaching careers.

Mrs Kennedy will also be leaving us, as she will be returning to her permanent school after leading our administration team since 2020. Without her support and leadership in the office, our school would not be able to run as smoothly as it does. We will miss her and hope that she enjoys her school. A new Administration Manager will be supporting our school in Term 1 until the position is filled permanently.

Mrs Eves will be returning to us in the School Counsellor position as Mrs Cifuentes-Post will be starting at a new school as well. I would like to thank Mrs Cifuentes-Post for her support of our students and families in the time she has been here and hope she enjoys her new school.

Year 6 Farewell

Next Wednesday is our Year 6 Farewell at Campbelltown Golf Club in Glen Alpine. The night starts at 6pm and will finish by 9pm. All Yr 6 students have received an invitation with all the information attached. There is no fee for our students, with our wonderful P&C providing a donation to the school to cover the cost.

There are a number of guidelines that we must follow for this event to occur. These are:

- All students must be accompanied by a fully vaccinated adult member of their household who must sign the student into the Campbelltown Golf Club using the QR code. The student is then able to be left in the care of the supervising staff.
- The parent or carer **MUST** remain at the Campbelltown Golf Club during the event with the parent or carer returning to collect their child at the end of the farewell.
- The parent or carer must follow the venue's COVID-safe practices when checking in and out.

If these guidelines change we will let everyone know. Please contact us if you have any questions.

Enrolling for 2022

We are forming our classes for next year and these can be affected by new enrolments across the school, as well as students who may be leaving us. Please encourage anyone who has moved into our community to contact the school so we can organise a welcome pack for them. To our existing families, please let us know if you are moving or changing schools next year as this affects the number of students enrolled and staffing for 2022.

School Reports

Our Semester Two reports will be going home next week. Even though this year has been extremely difficult for everyone, our students have continued to work hard and show their teachers how much they have improved.

STAFF NEWS!

Farewell from Mrs Davies

To the students, families, and community of John Warby Public School,

I am sad to say that I will be leaving my position at John Warby Public School. I have accepted a permanent Assistant Principal position in Wollongong, commencing in 2022.

Even though this is a wonderful opportunity, I am terribly sad to be leaving and closing this chapter of my career. John Warby Public School is a fantastic school that I have always been so proud to be a part of. I absolutely adore the students and have been so proud of all the achievements they have made over the years. To the parents and carers who have trusted me over the years to teach and nurture your children, thank you so much. I will miss you all!

Mrs Ashley Davies

Farewell from Mrs Thompson

Dear parents, carers, students and friends, I have some very exciting, but at the same time sad news that I would like to share with you all. In 2022 I will be starting a new role as Assistant Principal at a school in Wollongong.

I will cherish all the beautiful memories and experiences I have had teaching your children over the past 7 years. Thank you for your warmth, laughter, determination, enthusiasm and loads of fun at JWPS! You are all amazing and I will miss you dearly. Take care and keep smiling!

Mrs Amanda Thompson

Shoes alive

2/12/21

~~2.12.21~~ In a town of France a tiny shoe shop owned by a small man named Mr Bottle ^{made} the best shoes in town. But one day, Broom, broom, a greedy rich guy came into town. Mr bottle was curious ^{as} he didn't know who this man was. His name was Jimmy Von Crum. ~~knock knock knock~~ Mr bottle heard a knock on his window. It was that rich guy, Mr bottle went to shake his hand ^{but} Von Crum ignored him. "Hi what can I get for you?" Mr Bottle said, in a shaking voice. who would like to buy your shoes Von Crum replied in a French accent.

How to Advertise Shoes

The key to making an amazing shoe shop. So the first thing is make new design and don't make the price too high. Oh I ^{almost} forgot, get your friends and other people to be your employees. Also be nice to your ~~to~~ customers otherwise they won't like your shop ~~and~~ they won't like your shop and they will tell their friends and more people won't like your shop.

Thump! The ^{pretty} woman went inside the store, she got surprised on seeing such a hard ^{working} man sell such amazing shoes. She asked for his name, "Le Petit Cordonnier". My name is Charlotte Cosrionie.

Charlotte Cosrionie wanted all the ^{most} amazing shoes ^{on} earth. She then ~~instead~~ ^{insisted and} asked where he got them from. "I made them". She knew it, she bought them there ^{would} be no more. She went back to her house and got all the equipments and objects she needed.

Library News

Thank you to everyone who supported the library this year, and who encouraged their children to keep up with their reading. We had a great year in the library with our amazing upgrades. I'm looking forward to another wonderful year in 2022. It is important that our students continue to read over the holidays. Below is a Summer Reading Challenge that the students can participate in if they would like. It might help keep them motivated. Enjoy your break and have a safe and restful holiday.

Happy Reading - Mrs Saleh

Grevillea, Banksia and Wattle have been busy having fun in Term 4, joining in the Year 6 fundraisers. The staff and students enjoyed wearing their pyjamas to school. Zooper Dooper Day was very popular, with most students purchasing one or more ice blocks. We ate delicious fairy bread on National Fairy bread day. On the warmer days, we enjoyed having some fun with water activities.

Thank you
Pauline Morrison

Thank you!

Thank you to our wonderful community for supporting our Year 6 Fundraisers!

We raised \$242.00 on PJ day and \$193.10 selling ice blocks.

The money will be going towards the Year 6 Farewell and gift to JWPS.
