'Happiness through learning'

16th December 2022

Week 10 Term 4

Principal's Report

I'd like to end the year by sharing some excerpts from the Address that I gave at our Presentation Day Assembly earlier this week. I would like to thank all members of the John Warby Public School community for their support, encouragement and goodwill as we strive to provide the best learning and wellbeing outcomes for our students. I wish everyone a wonderful and safe holiday and we look forward to seeing all of our returning students on Tuesday 31st January 2023.

Excerpts from Principal's Address

It is with great pride that I stand here today to address our great John Warby PS community.

Firstly, to our wonderful students. Each and everyone of you sitting here today. I come to school each day knowing that I'm going to get the chance to see you with your big smiles, your kindness and knowing that I will see a group of people who show respect to their friends, to their peers and to the adults working within our school. I get to come in and out of your classrooms where I see you participate eagerly on your tasks, where you collaborate with your classmates and where you try your best on all tasks. And I get to spend time chatting with you about all the good things happening for you and about the goals you are setting yourself. I think I have the best job in the world.

It has been a wonderful year in so many ways and we have had the opportunity to participate in and enjoy so many wonderful events this year. I might try to remind us all of some of the many things that have happened this year.

Our art showcase, our swimming, cross country and athletics carnivals and then our representation at Zone and regional carnivals, our entry back into PSSA Gala Days with our hockey team, our P&C led colour run, the mothers and fathers day stalls, our stage 3 camp, our Aboriginal student STEM camp, our Sorry Day community walk, our NAIDOC week celebrations including our smoking ceremony in the yarning circle, our ice cream day, our iceblock breaks, our excursions, our many PBL rewards days, Sista Speak, our Sparrow Program, our awesome PLP BBQ afternoon our Year 6 Farewell, our Preschool graduations and our bus run that is used to collect students whose families need that extra bit of help.

I would like to pay particular attention to the great leadership, experience and passion demonstrated for John Warby PS community by both Miss Lorraine Pope and Miss Mellissa Page two great school leaders who will taking leave when we return to school in 2023. Their insight and sage advice has been greatly received this year and I wish them both well on their journeys.

I know as many people have mentioned this year it seems as though there hasn't been a day where we haven't seen fluoro tradesmen shirts or the joys of temporary fencing. But standing here today it is great to reflect on the improvements on our school infrastructure. Many of these projects started via the pressure by Miss Page. Our school library upgrade, our flexible learning space affectionately known as the Megabytes room, our Support Unit bathroom, our covered walkway to the hall (and the new one that connects the office) and my favourite is knowing the fact that all our students are now able to learn in air-conditioned classrooms. When we arrive at school next year our toilets will be in the middle of an essential upgrade and our much-needed technology uplift should be underway.

Thank you to our great P and C for their ongoing support of our school. Wonderfully led by Georgie and Adrian and always with the best interests of our students in mind. They are a small but determined group and we hope to see more parents and carers join them next year.

I would also like to wish the following staff members all the best as they head off in different directions:

- Mrs Fran Webb is retiring and looking forward to spending some quality time with her family.
- Mrs Shinaz Saleh will be moving to Harrington Park PS as the Assistant Principal Curriculum & Instruction.
- Mrs Rani Fairbairn will be moving to Denham Court PS as the Assistant Principal Curriculum & Instruction.
- Mrs Hayley Fentiman (Miss Dixon) will be moving to Galungara PS as a classroom teacher.
- Miss Josephine Bova will be moving to Barramurra PS as a classroom teacher.
- Mrs Joanna Phillips will be moving into a Corporate position within the Department of Education.

Each of these staff members have made a positive impact during their time at John Warby PS and I wish each of them all the best for the pathways they will travel.

Troy King
Principal

IMPORTANT NOTICE

With the holidays fast approaching we need to complete our daily attendance rolls and have all absences explained.

Many students have received a note listing their unexplained absences for the year. Please write the reason for their absence, sign, and date the note, and then send it back to school so teachers can update the roll.

There are many fun and important days coming up and it would be a shame if any student missed out on them, so we would like to see all students at school and on time for the rest of the year.

Thank you for supporting attendance, throughout 2022, at John Warby Public School.

Sandy Liddle
Attendance Officer
