From the Principal

Although it seems a little while ago now, it was great to catchup with so many of our families at our end of term community barbecue. We love having our community join us at school and this was just one example of us all coming together for the great kids at John Warby PS. Our Easter Hat Parade was a great success, as was the mega Easter Raffle run by our P & C. A great way of being involved in our school is by attending our P & C meetings. Our next meeting will be held in the school library on Wednesday 17th May at 9:15am. We hope to see you there.

ANZAC Day

Our school leaders recently led a very respectful assembly at school commemorating ANZAC Day and all of our students participated in learning activities that developed their understanding of the significance of ANZAC Day for all Australians. I was proud to march alongside our students and staff in the Campbelltown RSL Sub-Branch ANZAC Day March this year. I would like to thank these people for giving up part of their public holiday to represent our school.

Winter Uniform

Winter seems to have hit us quickly this week and on these cold days it is important that all of our kids come to school wearing our school jumpers and track pants to keep them warm throughout the day. It is timely that I ask you to please make sure that all of your children's jumpers are clearly marked with their full name to ensure we can return it to them if it gets misplaced.

Mothers Day Stall

One of our major P&C Fundraising events is happening this week, our Mothers Day Stall. There are presents ranging in price from \$1 - \$10. To ensure everyone gets the opportunity to buy a present there is a 2 present limit per child. The stall will be held on Tuesday and Thursday.

Playground Changes

Following on from the morning routine changes we implemented last term, we have been looking at a variety of ways that we can make our first and second break time a more engaging time for all of our students. I have conducted brainstorming sessions with many of our students and as a staff we have spent considerable time identifying areas that we can make improvements in. We will be trialling these new processes from next week and they will be discussed at the next P&C meeting. We will be monitoring the new processes and will be modifying them if the need arises. Please do not hesitate to contact a member of our executive team if you have any questions.

Cross Country Carnival

We are looking forward to our school Cross Country Carnival tomorrow with our first race scheduled to commence at approximately 12:00pm. The carnival is a full school event (K-6) and all students are expected to participate. Please make sure our children are wearing appropriate warm clothing as they wait for the race and appropriate footwear to allow them to run. Parents and carers are invited to come along and show their support for our wonderful athletes.

Leave

I would like to advise that I will be on leave from Friday 12th May through to Monday 22nd May. Mrs Murray will be relieving as Principal during this time.

School student travel information for parents and students

School Travel Passes

Students who require a School Opal card or travel pass but have not yet applied need to [apply](#) or [update](#) their details as soon as possible.

In the Opal network, students should travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

New Student Opal cards (including new Term Bus Passes) will be sent to the student's nominated postal address within two weeks of their application being approved.

Students living in rural and regional areas will receive their travel pass from their nominated transport operator. It may be issued via their school or be sent directly to them at home. **Note:** some rural and regional operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Terms of Use

Students using Opal cards must tap on and tap off in line with the [Opal terms of use](#).

All students are required to comply with the [Student code of conduct](#). The code of conduct aims to ensure the safety and well-being of school children and other passengers. It is important that parents ensure their child is aware of this, as failure to comply with the code of conduct can result in a suspension from travel.
